

# Laser Vision Correction Benefit Offered By Block Vision

Paid professionals not actual patients.

With recent advances in technology, more and more people are becoming prime candidates for LASIK vision correction, which offers many people a permanent improvement to their vision.

Members enrolled in Block Vision's plan may elect to receive an allowance toward LASIK vision correction in lieu of the eyewear benefit. Members who choose to receive LASIK services receive a \$200 allowance toward the cost of such services.\*

- **Allowance available either in or out of network**

- **The advantages of using an in-network provider include:**

- **Special Program Pricing**

- **Lower out-of-pocket cost since the allowance is applied to the cost of your LASIK services; there is no need to file a claim for reimbursement**

- **For additional information please contact (877) 557-7609**

\*Subject to routine regulatory filings and certain exclusions and limitations.
